

Dear Friend,

On behalf of the Huntington Breast Cancer Action Coalition, we ask for your support with our 1st Annual Golf Outing, to be held on Thursday, June 17, 2010 at Stonebridge Golf Links and Country Club in Smithtown.

As you know, the incidence of breast cancer here on Long Island is still growing in proportion to our population. This disease strikes not only women but a growing number of men each year as well. New treatments and newer drugs are aiding in the fight. However, when cancer strikes a family, education, counseling and other services are needed. These all require funding and all are in need of help from good spirited individuals like you.

With your donation of a gift certificate, sponsorship, or gift basket whichever you choose - you have the satisfaction of knowing that you are personally involved in helping fight breast cancer, and for that we are extremely grateful.

For more information, please call HBCAC at 631 547-1518.

Thank you for your consideration and support.

Sincerely,

Committee of the HBCAC Golf Outing
