

# EMBRACEABLE YOU

By BeJeweled

Dear Customers,

We all know or love someone taking the journey through a cancer experience. I know how special and essential it is to have love and support and positive energy coming from those who care about you-it is healing for everyone involved.

Since Valentine's Day is just around the corner, we would like to offer the opportunity for those purchasing bracelets to have one as well at a 10% discount. If you order more than one bracelet between February 1-8th, we will discount each additional bracelet by 10%.

No one wants to take the journey, but when you have arms and hearts to embrace you it is possible.

Our bracelet designs reflect the passion we have for creating hope and possibilities for all who are interested in creating a better path for us and our children. The Huntington Breast Cancer Action Coalition works very hard to educate and change perceptions, ideas, and beliefs that benefit not just Huntington but all who care to join us.

This season, we know that our budgets are tight but our hearts are bigger. By purchasing a bracelet, you will contribute to the quality of many lives.

Sincerely,

Laura & JoAnn
