Dear Friends,

For twenty two years our organization has provided help and hope for women and their families coping with a diagnosis of breast cancer. Our **Lend A Helping Hand Program** has helped reduce the stress of those facing a positive diagnosis by providing financial assistance, professional support services and care. We are proud of the investment we have made promoting family health through our many educational programs with focus on reducing risk of cancer and disease via our **Prevention Is the Cure (PITC)** Campaign. There is mounting scientific evidence suggesting that disease is not caused by genes alone, but by personal behavior and the interaction of environmental triggers. The scope of those we serve and the programs we've initiated have grown over the years, but our mission remains - providing help and hope for individuals, supporting their loved ones, and focusing on prevention methods, as we actively help those faced with cancer and disease.

PLEASE SUPPORT OUR 7TH ANNUAL BAG LADIES BENEFIT

Thursday, May 10, 2012, 6-10 pm
Carlyle on the Green, at Bethpage State Park

HONORING OUR RECOGNIZED LEADER

Lisa Kratter

Serving our organization and the community in the fields of education, social services, campaign development, and volunteer endeavors. Coordinating the Students & Scientists Environmental Research Scholarship Program and Chairing and Co-chairing The Bag Ladies Benefit along with Kim Hint and Rose Koven, over the past 4 years. Her contributions have been significant to the community.

Last year's high energy, unique fundraising event attracted 400 guests, raising over \$80,000, as we auctioned off stunning handbags, fine jewelry, fine wine and champagne, sports memorabilia, theater and travel packages. Premium raffle baskets also enhanced our array of prizes. This year we plan on superseding our attendance and last year's goal.

We would very much appreciate donations of designer handbags, accessories, gift certificates, tickets, gift baskets or parting favors for our upcoming 2012 event.

Proudly we will present an Event Journal to be distributed to all attendees. Your business will be prominently listed in our journal.

A portion of the proceeds raised at this event will help fund our **Students & Scientists Environmental Research Scholarship Program. *"A one of a kind hands-on program, designed to encourage the interests of young men and women in environmental science and public health, giving students the opportunity to work beside world renowned researchers while participating in sophisticated laboratory procedures at a nationally recognized state of the art facility."***

If you would like to attend the **Bag Ladies Benefit, or if you have any questions, please do not hesitate to call our office at (631) 547-1518. For more information please visit our websites -- www.preventionisthecure.org & www.hbcac.org
*Our Tax ID # 11-3159224. Your donation is tax deductible as allowed by law and proper acknowledgements will be made during the event.***

Thank you very much,

Lisa Kratter, Event Chair
