BAG LADIES BENEFIT

Nothing stands in the way of a fashionable woman and yet another stylish handbag, so there was a good crowd for the Huntington Breast Cancer Action Coalition's Bag Ladies Benefit held recently at Carlyle on the Green in Bethpage. Here, **Shelby Poole** of Nesconset, in Rachel Roy, stands in front of some of the bags that were auctioned to benefit the organization's environmental research scholarship program.

Lisa Kratter of Dix Hills, who was honored for her contributions to the event, was stylish in Alberta Ferretti.
